

# LAMMers Gastronic Guide To Tarbert – Saturday Evening

We recommend that you eat on Thursday night at Wilfs in the Community Hall, where you will also register for the event, collect tee shirts, listen to some music and be able to enjoy a fine pint of Skye Ale (raising money for MRT) with your friends.

They also serve takeaway food from the bar (fish and chips, burgers and pizza) however the number of takeaways they are able to sell will be limited as the kitchen will prioritise sit in guests. They also have the Pierhouse Restaurant, an AA Rosette restaurant which specialises in local seafood. The menu changes daily and an average spend for 3 courses is about £35-40 per person, plus drinks. Advanced booking is essential in the Pierhouse Restaurant **01859 502364**.
